IT THRILLED ME TO see a skater gracing your cover own Sarah Hughes at the 1999 World Championships in Helsinki and saw the Hughes mesmerize the performance. She is a competitor and a great

HUGHES IS A VERY talented skater she has not yet demonstrated the and grace that Michelle Kwan has. Hughes has certainly the ability to control the press. Hughes' comments "just another competition" Remarks like that will skating fans. Hughes is a class as well as a talent.

YOU HIGHLIGHTED why put only one medal contenders on all three? Michelle Kwan has worked hard brought so much to skating. What does American athlete to While other minor able to be assimilated we continue to fight the media.
